

Equipment Operator

Henry Fligeltaub Company, a locally owned and operated, full-service scrap metal recycling facility is currently seeking an experienced Equipment Operator.

Position Overview:

1. Process scrap metal: load, unload, sort and move with a hydraulic material handler.
2. Proficiently operate machinery such as a skid steer, front-end loader and a fork truck.
3. Have knowledge of material grades both ferrous and non-ferrous.
4. Perform preventive and routine maintenance on equipment which including daily, weekly and monthly maintenance checklists.
5. Have the capability of working with the public; customer service friendly.
6. Knowledge of Lockout / Tagout procedures.
7. Properly follow company and OSHA safety procedures.

Position Qualifications:

1. Experience working with ferrous and non-ferrous scrap.
2. Ability to work with the public.
3. Ability to work in a fast-paced, non-stop environment.
4. Must be able to work in all weather conditions.
5. Be willing to cross-train in other positions and assist other teammates as needed.

Physical Requirements:

As a scrap metals recycler, there are physical job demands which include: bending, stooping, squatting, kneeling, twisting, reaching over head, lifting, pushing or pulling up to 50 lbs. and climbing ladders or stairs.

Company Benefits:

Henry Fligeltaub Company offers a competitive wage and benefits package which includes major medical, dental, life and 401k match, along with paid holidays, vacation and quarterly bonus opportunities.

Henry Fligeltaub Company is an equal opportunity employer and a drug-free workplace that requires pre-employment drug screens and pre-employment physicals.
