

Non-Ferrous Scale Operator/Warehouseman

Henry Fligeltaub Company, a locally owned and operated, full-service scrap metal recycling facility is currently seeking an experienced Scale Operator of non-ferrous materials.

Position Overview:

1. Manage selling and buying of non-ferrous materials. Must be able to grade material, weigh and unload trucks and prepare weight tickets using a computer.
2. Manage inventory, shipping and receiving.
3. Proficiently operate machinery such as a skid steer, front-end loader and a fork truck.
4. Have the capability of working with the public; customer service friendly.
5. Properly follow company and OSHA safety procedures.

Position Qualifications:

1. Experience working with non-ferrous scrap and grading material.
2. Ability to work with the public.
3. Have basic knowledge of computers.
4. Ability to work in a fast-paced, non-stop environment.
5. Must be able to work in all weather conditions.
6. Be willing to cross-train in other positions and assist other teammates as needed.

Physical Requirements:

As a scrap metals recycler, there are physical demands of a Scale Operator/Warehouseman which include: bending, stooping, squatting, kneeling, twisting, reaching over head, lifting, pushing or pulling up to 50 lbs. and climbing ladders or stairs.

Company Benefits:

Henry Fligeltaub Company offers a competitive wage and benefits package which includes major medical, dental, life and 401k match, along with paid holidays, vacation and quarterly bonus opportunities.

Henry Fligeltaub Company is an equal opportunity employer and a drug-free workplace that requires pre-employment drug screens and pre-employment physicals.
